Dated: 14.04.2020

**Subject: Engagement of Health workers for the quarantine facilities by States/UTs in COVID-19**

Reference is invited to this Ministry's D.O. No. 234/Secy(MSDE)/2020 dated 3<sup>rd</sup> April 2020. The letter was addressed to Chief Secretaries of the States/UTs (with list of trained health workers) wherein they were requested to utilize trained health workers for the isolation/quarantine facilities set up in the state. These trained health workers may be required to undergo a small orientation to be conducted in consultation with ICMR, for orienting them towards precautions related to Covid-19.

2. In this regard, States/UTs are requested to share number of trained health workers (from this list) engaged in the isolation/quarantine facilities related to Covid-19 at the earliest.

**Encl:** As above

  
(K C Gupta)

3<sup>rd</sup> April 2020

D.O. No. 234/Secy(MSDE)/2020

Dear *Chief Secy*

As you are aware, Ministry of Skill Development and Entrepreneurship has been implementing a flagship program "Pradhan Mantri Kaushal Vikas Yojana" for providing employment linked skill training to the unemployed youth since 2015-16.

2. Some of the job roles in which training has been provided relate to the health sector. We have so far trained around 1,06,000 such health sector professionals, through PMKVY, and fee based courses, and given recognition of prior learning to more than 66,000 in health and related areas of domestic care and Life Sciences. Some of the job roles in which they have been trained are Front line Health worker, Emergency Medical Technician, General Duty Assistant, Phlebotomy Technician, Home Health Aide, Technicians, etc. In addition, there are around 2000 health care trainers and 500 Health care assessors, who are trained personnel and can be effectively utilized. We, further have around 500 organizations providing training in the health sector. Thus, there are more than 1,75,000 personnel, available under skill ecosystem, who will be able to assist in this battle against Covid-19

3. I am attaching the list of such personnel, along with their contact details such as mobile numbers and e-mail addresses, in separate Excel sheets, as follows:

- List of around 92000 persons trained under PMKVY
- List of around 14000 persons trained in fee based courses
- List of around 66,000 personnel trained under RPL programme
- List of around 2000 trainers
- List of around 500 assessors
- List of around 500 training institutions.

4. It is requested that the above personnel can be utilized for the isolation/ quarantine facilities being set up in your state. They may be required to undergo a small orientation, to be conducted in consultation with ICMR, for orienting them towards precautions related to Covid-19.

*With regards*

Yours sincerely,

*Praveen Kumar*  
3/4/2020  
(Praveen Kumar)

Chief Secretaries of all States/UTs
