D.O.NO.Z-21020/16/2020-PH

Dated 17th April, 2020

Dear Colleagues,

At the outset I would like to commend the efforts of all States and UTs in managing all aspects of the COVID pandemic including identification of dedicated COVID health facilities for the management of COVID patients. Almost all the States/ UTs have identified dedicated COVID hospitals and uploaded the details on the COVID portal.

In order to support the strengthening of these COVID facilities, the Development Partners along with NQAS assessors empanelled with NHSRC have been asked to make field visit to these facilities to see the various elements of preparedness and provide necessary technical support and assistance to the States/UTs

In this regard, you are requested for necessary facilitation to the identified Development Partners and NQAS assessors as per attached list. It is also requested to facilitate their movement to the facilities wherever needed in light of the lockdown/restrictions.

We look forward to your continuous cooperation.

with warm regards

Yours sincerely

(Vandana Gurnani)
