Teledicon-14

Letter No AIIMS/Teledicon/2014/June/5
Date: 20.06.2014

To,

Shri Pankaj Aggarwal, IAS
Health Commissioner
Public Health & Family Welfare, Madhya Pradesh
5TH Floor, Satpuda Bhawan, Bhopal-462004 (M.P), India

Subject: Regarding seeking Public Health & Family Welfare Department sponsorship/Partnership in Teledicon 14

Dear Sir,

Greetings from AIIMS Bhopal!

AIIMS Bhopal is one of the apex healthcare institutes established by the Ministry of Health & Family Welfare, Government of India under the *Pradhan Mantri Swasthya Suraksha Yojna* (PMSSY) aimed at correcting regional imbalances in quality tertiary level healthcare in the country, and attaining self-sufficiency in graduate and postgraduate medical education and training in under-served areas of the country. The institute was established by an act of the honorable parliament of India. It became partially functional in September 2012. The mandates of the institute include medical education, patient care and promotion of bio-medical and social sciences research. AIIMS Bhopal aims to bring together, in one place, educational facilities of the highest order for the training of personnel in all branches of health care activity.

The institute proudly announces hosting the 10th International Conference organized by the Telemedicine Society of India from 7th to 9th November 2014. The Theme of the conference is "Revolutionizing Indian Telemedicine: Government-Academia-Industry Partnership". The venue of the conference is at Noor-uh-Sabah Palace Hotel, Bhopal. The conference is intended to be a blending place for healthcare professionals (doctors, Nursing staff, paramedical staff, AYUSH professionals etc.), IT enthusiasts, regulators, integrators, policy makers, academicians, researchers, innovators and vendors & regional decision makers to advance collaboration in the use of information communication technology in healthcare.

This conference strives to increase the awareness and practice of e-health in India by bringing together m-health experts, healthcare professionals and technology experts as well as infrastructure providers from around the world. It is a veritable platform for ensuring that e-health is utilized as a tool to reach out to the masses, specially the rural areas.

Telemedicon-14

This three day conference is expected to attract over 500 participants from a wide spectrum of healthcare practitioners and m-health experts from India and abroad. It is a great opportunity for Public Health & Family Welfare Department to use this platform to demonstrate your vision and mission in tele healthcare for the people of Madhya Pradesh and interact with over 500 leading participant delegates of the country and abroad. The organizing committee has outlined a number of ways in which Public Health & Family Welfare Department can participate in this annual prestigious conference (enclosed annexure)

We request you to support financially this international event. This will open lots of avenues for the developing healthcare technologies to improve the health situation in Madhya Pradesh. We will provide Public Health & Family Welfare Department logo on our website, Invitation letter, brochures, displays, hoardings and other places in the conference. Further negotiations possible for the advertisement space, time slot and contents etc. A line in confirmation would highly oblige.

With regards,

Dr Surya Bali

Organizing Secretary, Telemedicon14
