## INVITATION

Dear Colleagues,

Greeting from AllMS Bhopal, Madhya Pradesh, India!

All India Institute of Medical Sciences Bhopal is hosting 10th International Telemedicine Conference of Telemedicine Society of India (TSI) at Bhopal, Madhya Pradesh, India from 7th November 2014 to 9th November 2014. The Theme of the conference is "**Revolutionizing Indian Telemedicine: Government-Academia-Industry Partnership**".

Telehealth is the use of electronic information and telecommunications technologies to support long-distance clinical healthcare, patient and professional health-related education and training, public health and health administration. Employing telemedicine is more economical and cost effective and is one of the best options for delivery of healthcare services in distant and remote areas.

The conference will be the place to meet for healthcare professionals (doctors, Nursing staff, paramedical staff, AYUSH professionals etc.), ICT professionals, regulators, integrators, policy makers, academicians, researchers, innovators and vendors government & regional decision makers to advance collaboration in the use of information communication technology in healthcare.

We promise that this conference will be able to fulfill the needs of healthcare providers seeking the IC platforms to leverage the medical care and will be able to provide the technical and scientific knowledge to the participants. This conference will offer a wonderful opportunity to discuss important eHealth issues in global and Indian healthcare scenario.

Madhya Pradesh is an exotic destination with Bhopal being the capital and famous tourist destination. The timing of conference is well suited to enjoy the pleasant weather of the city of lakes.

We sincerely hope that you will join us in making this conference a success. We look forward to welcoming you to Bhopal Madhya Pradesh, India.

## About Madhya Pradesh & Bhopal

**Madhya Pradesh (MP)** literally "Central Province" is a state in central India. Its capital is Bhopal, and the largest city is Indore. Nicknamed the "heart of India" due to its geographical location in India, Madhya Pradesh is the second largest state in the country by area. With over 75 million inhabitants, it is the sixth largest state in India by population. It borders the states of Uttar Pradesh to the northeast, Chhattisgarh to the southeast, Maharashtra to the south, Gujarat to the west, and Rajasthan to the northwest.

**Bhopal**, capital of Madhya Pradesh combines scenic beauty, historicity and modern urban planning. It is situated on the site of an 11th century city, Bhojapal, founded by Raja Bhoj.
